Dear Sir or Ma'am,

The Blue Knights® is an international organization made up of honorably retired and currently working Local, State and Federal Law Enforcement officers who share the desire to ride motorcycles and assist those in need throughout their communities. The Blue Knights®, non-profit organization, raises money for various charities throughout the year, and hosts special events for families with emergency needs.

Each year the Blue Knights® primary mission is to make funds available for any Fallen Officer lost in the line of duty in. If we are so lucky as to NOT lose an officer in the preceding year, a charity is then chosen and the profits donated to that charity.

Your donation will assist with raising funds for the families of Fallen Officers or families with emergency needs.

Thank you for your consideration, time and attention.

Respectfully,

Wes Francis, President
Blue Knights® Nevada II
